Dear Stephen,

Liberal-run government was a devastating failure in Wisconsin, but now those same jilted Democrats want to ***recall me***, take back control and -- if they succeed -- run Wisconsin's economy back into the ground.

Stephen, today I'm inviting and urging you to join the battle because I need your strong support to fight off this recall election.

The most important thing you can do today . . .
The very best way you can help me win . . .

Is to accept the enclosed **"Friends of Scott Walker"** membership card that's embossed with your name and activate it with your special contribution for \$25, \$50, \$100, \$500, \$1,000 or whatever amount is right for you.

Wisconsin's economy was dead in the water when you sent me to the Governor's Office. Our state was \$3.6 billion in debt. Our economy was losing private sector jobs at the rate of 40,000 a year for three years.

But our conservative reforms are turning Wisconsin around. That \$3.6 billion deficit is now a surplus. The budget is balanced. Punishing regulations have been lifted off of small businesses. Instead of losing jobs, Wisconsin is growing jobs -- 20,000 so far. Our schools and local governments are doing fine. Property taxpayers are seeing bills that are the same or even lower than they were before.

No thoughtful Wisconsinite can deny our progress, but powerful out-of-state forces are barging into our state, putting hired guns to work gathering recall signatures, and they'll bankroll this effort to oust me with tens of millions of liberal dollars.

You can see why your support is urgently needed.

Because our bitter rivals don't live in Wisconsin, don't care about us, and don't understand Wisconsin's tradition of fair play, they're sure to spend tens of millions on sharp, cruel, ugly and unfair attack ads.

Sadly, this recall race could cost Wisconsin's taxpayers nearly a million dollars. But if there's a silver lining, it's this:

Over, please . . .

Wisconsin voters will have a golden opportunity to signal their support for our conservative reforms that **respect** taxpayers, **encourage** business owners, **grow** jobs, and **keep** our state's economy surging forward.

We've got a recall race to win together and it's coming up fast. Stephen, you can count on me to keep working and fighting for Wisconsin. Can I count on you, too?

It's your activated "Friends of Scott Walker" Membership Card and your contribution for \$25, \$35, \$50, \$100, \$250, \$500, \$1,000 or more if you're able, that will give voters the facts about my real record.

Our campaign will zero in on the issues, our progress, and the difference we've made for Wisconsinites. I'm only one year into my term but even in a tough national economy, **we have a great story to tell.**

But you won't hear the truth from the Obama Democrats and the national Big Government Union Bosses who are aligned against me. They will shovel tens of millions of dollars into Wisconsin, mostly from out-of-state power brokers, and they'll twist my record beyond recognition.

It's wrong and it's a shame they're subjecting Wisconsin to this kind of caustic and cruel negative campaign, but they're taking dead aim at me and **they don't care who they hurt.**

They just care about grabbing power. All they want is everything!

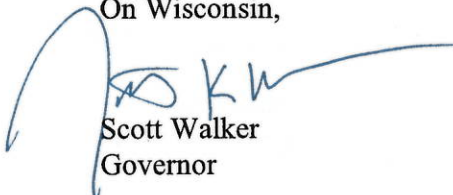

I believe Wisconsin is better now than it was a year ago, plus I also know our Wisconsin is getting better every day and the future is as bright as a newly-minted 2012 penny.

Stephen, because good friends like you "**Believe in Wisconsin,**" our great state is "**Open for Business**" again.

As our conservative reforms are proven and our Wisconsin gets better, the out-of-state liberals get madder. They have made me their #1 target and their boogeyman to raise national money.

For my part, I'll always do what's **right** for Wisconsin.

And with your kind support, I'll use your Membership Card activating "Friends of Scott Walker" contribution for \$25, \$100, \$500 or more to run the positive, grassroots, issue-driven campaign that you'll be proud of . . . and together, we'll fight off this unfair recall election.

On Wisconsin,

Scott Walker
Governor

P.S. By breaking bad habits and advancing conservative reforms, we've brought Wisconsin back from the brink. We've got Wisconsin working again and our rivals will never forgive me for that. I'll need your help to win this recall battle and I need it right away.
